

# Worldwide One for all and All for One? Internet platform against injustice? We all for All?-For a better World

- 
- Do you have it finally become tired of crappy?
  - Are you tired of constantly to run it against windmill blades? Who ignored you through a bribe? Are you by state organs victims of corruption?
  - Are you innocent behind bars?
  - Are you the opposition with government thugs in the neck? Who has deceived you on the Internet?
  - Anyone selling counterfeit and pirated here?
  - The hotel is a scandal?
  - Have you observed something incredible?
    - The portal in the fight against injustice in the world in general.
    - White West is an impartial un-government platform of the people for the people.
    - We uncover uncensored.
    - We know of no state control.
    - We can not attack us.
    - Here is published every wrong.
    - No scandal to the environment and people being covered up.
    - No Corrupt government body can hide behind anonymous paragraphs.
    - Who is cheating whom the Internet,
    - Fight against Organized Crime.
    - fraud and s filth are published ruthless.
    - Under the guise of terrorism we are controlled and spied everywhere.
    - The right to live in peace and freedom have been lost to us.
  - Threaten drove us day by day, by whom and where exposed by "a world citizen for" all "world citizens"
  - What fear criminals, corrupt, gangster more gritty and dark, because their doings will be brought to light, visible for every click of the mouse. Whether on the Internet or in real life.
  - From now on, you are informed and know what before you go around on.

# -How does the platform work

- About every Smartphone site function and Google Earth or TomTom is the world in "real time" by taking advantage seen what happens in the environment. Especially in the tourism industry recognizes the program before what business the user is located., The user bother about any wrong offer in shop , plagiarism or fraudulent offers, it sends its user, taken with the Smartphone event to the specific platform and already appears, video "-" Photo "the mess
- Other users of pasby or intends to go in on this deal is automatically alerted. This warning continues until the business owner transforming its operations and reports this to the platform the other hand, the business owner has the opportunity to publish daily deals which are by the User, click "accessible.
- The one that displays the mess gets a gift.

## Corruption

- Corruption injured as prisoners, minorities, opposition, and other oppressed victims in each country may at their selected attorneys, Story "carry. What happens, after examination"
- The lawyer is acting
- Corruption is published in full (starting with corruption HJK)
- The Corrupt organ is glassy-rayed, pictured, private property, real estate, accounts, addresses, vehicles without apparent censorship.
- The lawyer, who belongs to a club sponsored by WW calls from the corrupting side compensation for customers to executions.
- The story is included in a short novel. The novel, which mixed a modern "Robin Hood" and the "Count of Monte Cristo" and "Sherlok Holmes" is conducting will should be written in different languages and selling e-book world.

# Details

- Good selection of books sold by Paperback. The short novels are the modern heroes mixed character "Robin Hood" and mixed with the "Count of Monte Cristo" and "Sherlok Holmes" weaves through interesting stories.
- The revenue from claims for damages and book sales are shared between the victim / advocate and the platform.
- HJK created out of a story book skeletal matrix is then covered by soft "Handyman" authors in the novel.
- A team in the background processes the individual transactions in order to shed light on hidden things. Especially where state organs "intelligence" investigations involved or industrial agents are extensive, necessary.

# -Plattform-

### Diverse "Profitcenters"

#### Justice component

Prisoners who are sentenced by corruption, or by intentional misrepresentation, or are simply innocent, can transfer their case to a nominated lawyer. This in every country in the world. After examination by prosecutor and detective (which is active worldwide and is involved in the project), the case will be published on the platform. The role of the corrupt institutions is disclosed openly. Then private details, assets, bank accounts, home addresses, as well as video and images documenting these processes, the judicial scandal. The lawyer takes over the representation of the victim against success fee. Seeks damages.

Revenue sharing: The victim% -% '??% WW "lawyer"

The story is packed into a novel. "Robin Hood" and mixed with the "Count of Monte Cristo" and "Sherlok Holmes" retires or passes through the case.

Exciting-funny, the novels are to write. It can also be interesting for television series.

It is to design a cartoon which runs through all the chapters, and the platform is constantly accompanied, where the "Robin Hood" and mixed with the "Count of Monte Cristo" and "Sherlok Holmes," finds.

The short novels are sold by eBook for proofreading through / over the platform. Or by the Frankfurt publishing group in the standard book trade

#### Income Distribution:

Victims Author%%%% Attorney platform.

Agreements currently exist with the Frankfurt publishing group what the marketing and proofreading takes over.

Every country in the world has enough underutilized lawyers, this soft can be contracted.

CNN and / or other media will publish the undertaking.;

The platform should be constructed as CNN

#### Industry component

Each of surreptitiously through bribes is an order to move from the losing competitors accountable.  
"Official arbitrariness" "government arbitrariness"

State police assaults of any kind fraud of any kind, the range is infinitely long

# -Plattform- [www.whitewest.org](http://www.whitewest.org) Diverse "Profitcenters"

- Justice component
- Tourist industry
- Every tourist 'can become the "activist". Somewhere a boutique selling fakes. Tourist makes mobile video send it to us WW.
- Adidas, Puma, Versace, Gucci, Chanel etc, etc sponsoring the platform.
- To donate a gift to anyone who scans the boutique in question. Together with Google's then the shop in question, photographed as a video / photo.
- The false offers are seen by short video
- On the other hand, to the "black vests carrier" can be a carrier for the White West Boutique publish their offers by clicking. Every tourist looks at his smartphone by location determination whether the shop is clean and the daily deals.

# White West

## [www.whitewest.org](http://www.whitewest.org)

### -System-

- Originally (English / German) then all language
- a) Platform Setup. Design + text below
- b) section divided (categories)
- c) App for Smartphone
- Site-Warning
- i accesses to navigation
- ii accesses the camera
- You want us Report a mess? • Recording Press
- • Form of personal data click filling • Contacts
- • Click Send
- d) The app works as a site for Smartphone navigation. The reported perpetrators are visible through warnings location.
- What happened, can be made visible by clicking.
- Business of a service provider can show their daily specials. The navigation system recognizes the request of the user and the borders of a Hide /.
- On the PC finger navigation streets can be explored by mouse /.
- This is beneficial for any tourist who wants me for example about the booked hotel and its environment Mieren info.
- Which restaurants which offer
- For mobile phone, a panic button which connects to the next node private security.
- Therefore, contracts are necessary to "Pro Security", etc.

## -case-info-

- Names / aliases of the offender
- date of birth
- addresses
- Photo / Video
- Owner, bank accounts, vehicles, assets Where-as-what
- Fail Description
- status Report
- Media report - hyperlink
- Up to 200 pages PDF documents can be saved
- Complicity - Hyperlink
- Other victims Hyper-Ling
- However, that is only accessible with mutual acceptance
- Access to reporting purpose
- but is passed to the agent - lawyer - charge
- Short novel hyperlink - E-book sector

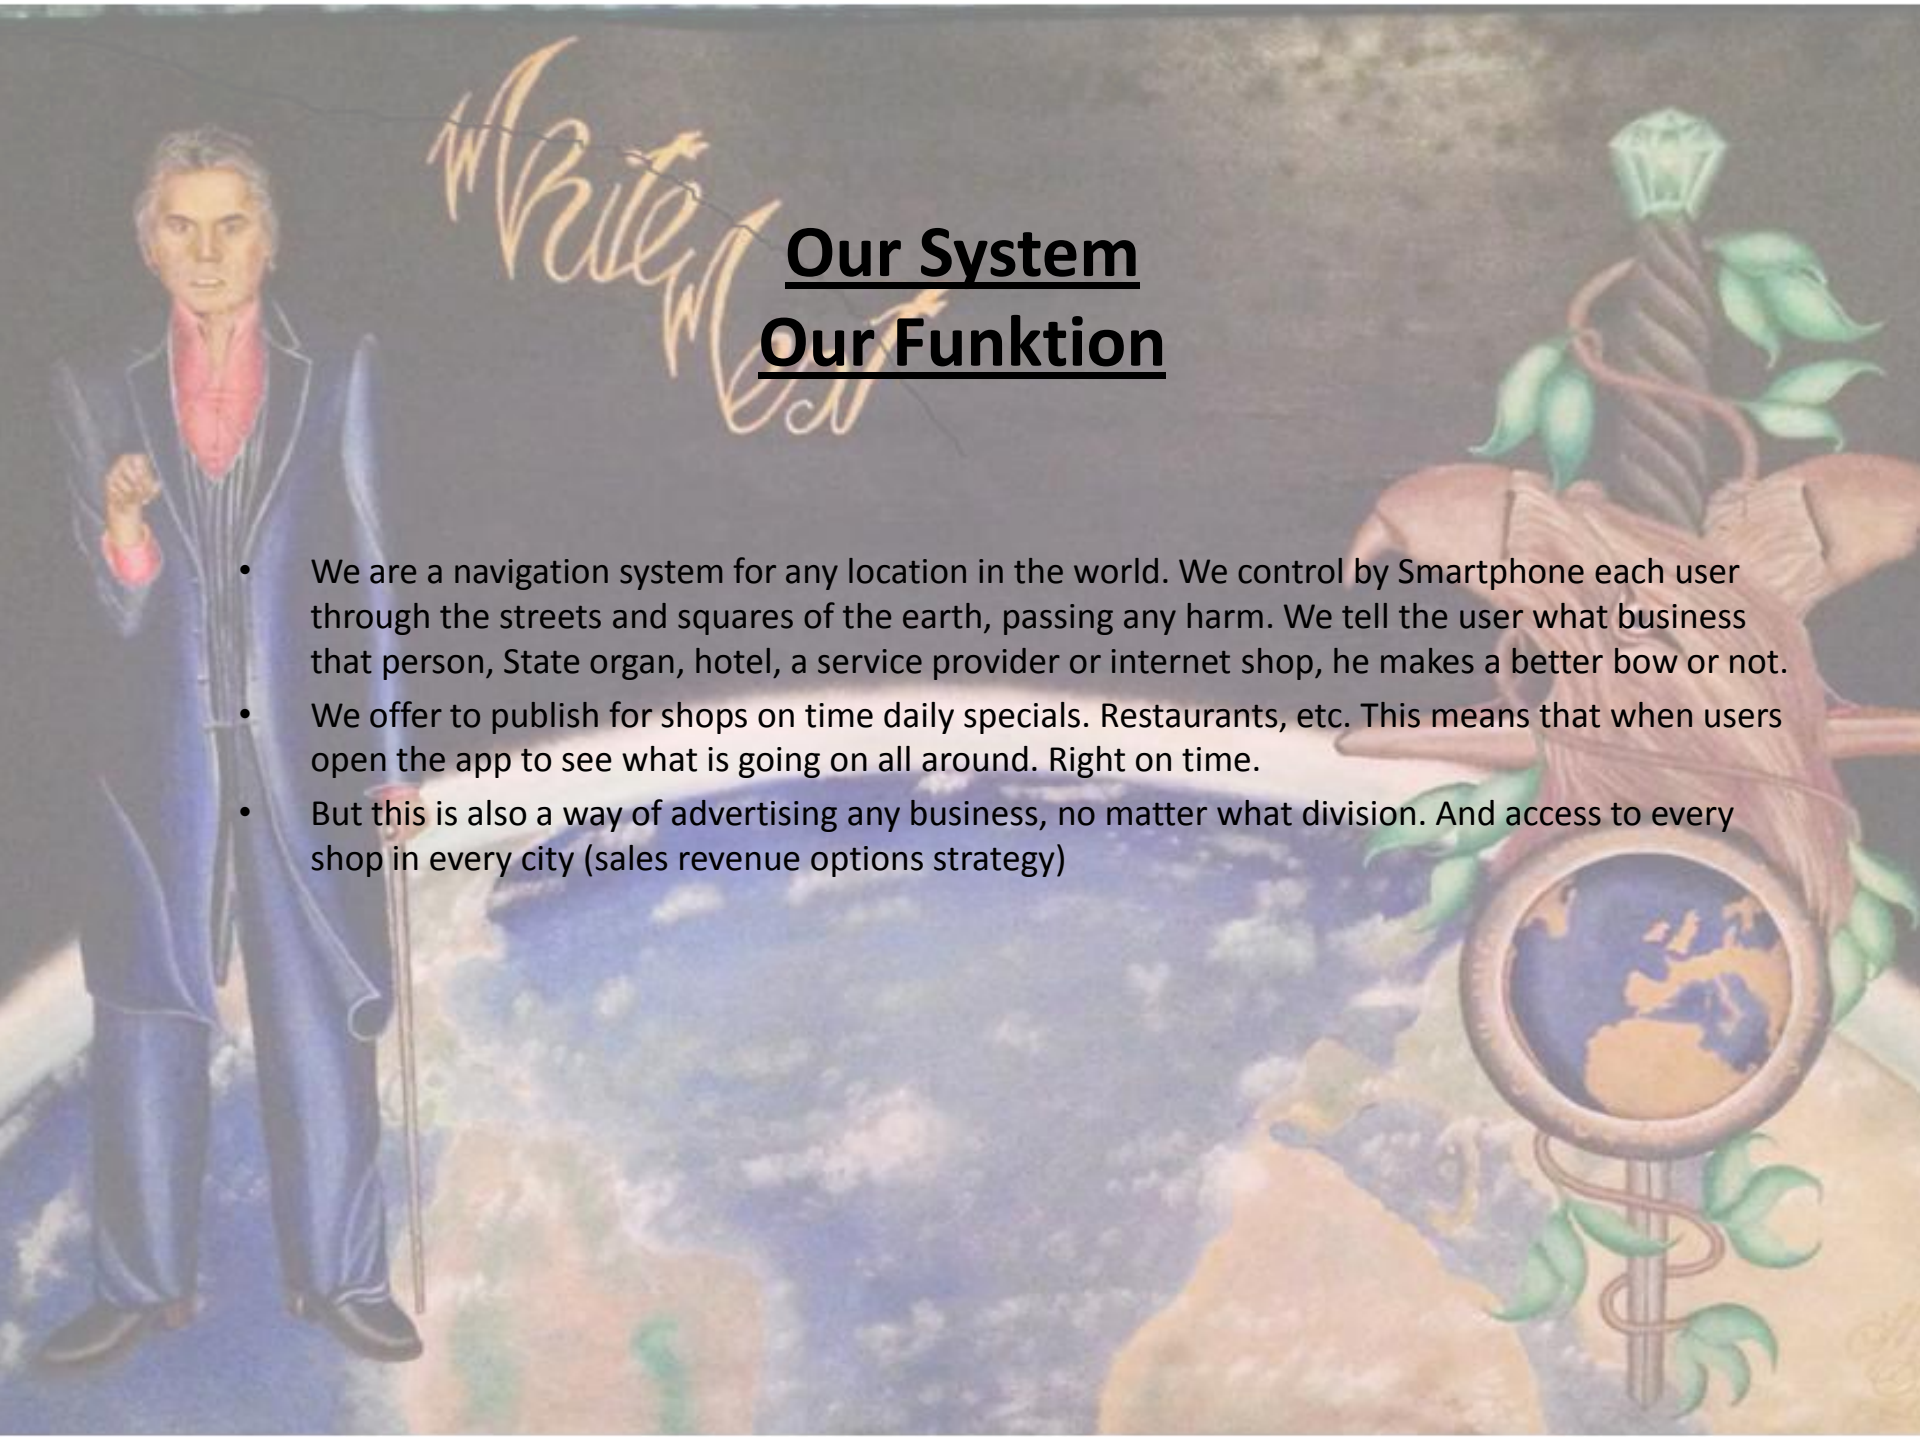

## -and so we work-

- Download the app on your smartphone.
- Wherever you are.
- Whether business, shop or event. Take it all on video. The more the better. From the outside and inside. Show also tries to bring us the mess, plagiarism or whatever "He" to the man. Fill in the data and press the alarm button.
- You have to press where the event takes place the button there, just as we recognize the address of the mess on the location function.
- Warning: do not forget to determine the category
- Data and documents can also be transmitted via any PC.
- "All for one, one for all"
- What we do
- For the first time the appear immediately the video. The case is visible
- A world that operates Investigation Team, internal checks within 24 hours of the event and the case remains published - uncensored possibly with attachments (documents or contracts etc)
- The data for the indicator to remain anonymous.
- Each message of plagiarism outlets will be rewarded by a gift. Victims represented by lawyers and prosecution of offenders,

## Our System

## Our Funktion

- We are a navigation system for any location in the world. We control by Smartphone each user through the streets and squares of the earth, passing any harm. We tell the user what business that person, State organ, hotel, a service provider or internet shop, he makes a better bow or not.
- We offer to publish for shops on time daily specials. Restaurants, etc. This means that when users open the app to see what is going on all around. Right on time.
- But this is also a way of advertising any business, no matter what division. And access to every shop in every city (sales revenue options strategy)

## How can black vests convert to WhiteWest

- Banishing piracy and plagiarism from your business. In corruption cases, help the victims and the Enlightenment. Irreparable damage you have to compensate your errors. How? For this, the lawyers of the victims are there.
- Attention: If you Appear to relapse than any Smartphone user - black - west carrier and are to be avoided as poisonous contaminated subject.
- In addition, legal steps are taken.

## About us

A team of ex-secret agents and victims of corruption scandals form the specific platform. In every country in the world selected attorneys are stationed, which can be addressed by victims and the cases will be processed after inspection by the Investigation team, to the regards of more complicated cases

Otherwise, the processing is electronically in real time.

# How we are financed

- By sponsors in particular have been harmed by piracy industry.
- By selling short novels generated by the crimes of the victims private donations, advertising revenue.
- HJK Fashion - selling a special collection of the ornaments, and the books are partly created by offenders
- HJK - Team specifies the tasks / matrix. Create the hobby writer's short novels.
- By advertising in the dayoffers- section. (Obviously automatically by the app)
- A prisoner who is from whatever country caught in a judicial Explain ends disaster, state, absolutely no chance to defend themselves against the arbitrariness of the judicial organs.
- He is delivered in full. Absent outside help, then the world is round black only. Every effort will be punished.
- Therefore, an idea of how a power can arise, which is able to counteract this arbitrariness, this state was rape.
- Meanwhile Extensive documentation and project documents were created to make use of a media.
- An internet platform "White West" which fully uncensored published in real time every corruption.
- Any corruption to remain in the dark. Corrupt officials - organs are not recognized. Your driving is to remain hidden.
- But not anymore.
- A small overview provides a brief description / overview
- The platform is created in any language Worldwide and leg liable publication of any corruption, every injustice in any medium and in any industry. Also similar to an MOT, the platform builds immediately through information "alarm".
- Thank you for your attention

## - Start up Procedere -

- Design of the platform and programming apps
- Loading the Justice Skandales HJK
- Along with the platform HJK - Store
- Each browser - WW program should offer an embedded
- The Smart - Phon producers should install the WW portal in the operating system. This means users - users constantly protected from all unrighteousness. A massive contribution to the improvement of living standards.
- Programming a comic book - let's call it HJK
- which moves by the platform

# Programmieren eines Comic,- wir nennen ihn HJK welcher sich durch die Plattform bewegt Formgebung - Charakter

Text font and words

what to say to the comic?

You want to be an agent? HJK questioning goes to the store

This business? excellent, super HJK with arm and thumbs up

This business? Comic turns

Or it shows the gangster there HJK both hands

Rejecting that he means - do not go purely

There? Well So-So / lala

They have to learn (if only a few cases have been reported)

Will probably be better to watch both hands waving

Thank you for your help that you have reported the mess

HJK kisses on the entire display
